India's Premier Gathering of Commerce,
Technology & Growth Leaders

WHY NOW?

- › Commerce is entering a new era.
- › AI is redefining decision-making.
- › Customer acquisition costs are rising.
- › Retail media is reshaping discovery.
- › Supply chains are becoming strategic assets.
- › Customer loyalty is harder than ever to earn.
- › The winners of the next decade will be those who transform scale into sustainable advantage.
- › India E-Commerce Forum is where those conversations happen.
